Toddler -	\$6860 (Check with your accountant for ideas about tuition tax savings)
Multi Child Discount -	Second Child deduct \$50, Third Child deduct \$100 from total tuition.

The Finance Committee's policy on pro-rating tuition is as follows: if your child starts between the **1st and 15th day of the month your tuition will remain unchanged** for that month. If your child starts between the **16th and 31st you will owe half for that month.** Home visits are considered as toddler's start date.

LATE CHECK	- \$50 / month if your check is received after your due date.
LATE PICK-UP	- \$5 from 1-5 minutes late, \$5 for each beginning 5 minute block thereafter.
RETURNED CHECK	- \$6 (or what the bank charges VMS)
LUNCH	- \$50 / week

If VMS needs to supplement your child's lunch so that it meets the regulations, we will charge \$10 per day.

\$100/Family Debenture: This is an annual expense, with an *option* of being refunded, that is used to hold your spot for each new year. When you sign your contract with VMS, you will send in a \$100 debenture that will reserve your child's spot. No matter how many children you enroll the amount is \$100. We will assign equal portions of the \$100 to siblings. When any child in the family leaves VMS at the end of a school year, they are qualified to get their portion of the debenture back for each year they were enrolled at VMS. All disbursements will be given within 30 days of the students last day, without interest and debt free.

\$193 - Optional Family Payment Plan: If you don't want to pay the tuition in full by June 30th you must use Smart Tuition Management Services, a company that works with thousands of schools across the nation and has been doing business for over 20 years.. SMART can either automatically withdraw the money from your account or send you a coupon book to send the payment to them with you choosing when the payment is due. SMART will bill and collect all late fees and direct deposits all money to VMS each month. **SMART charges you \$43/family in addition to your first payment. VMS charges a non-refundable administrative fee of \$150 due to VMS on or before, your child starts school.** The SMART Enrollment form will need to be filled out for new families at VMS.

\$250 - Optional Volunteer Buyout Payment: VMS is primarily a parent-financed and parent-cooperative institution. The Parents agree to devote a minimum of 10 hours of time, per family, per school year, assuring the successful operation of VMS. The family may chose to omit this requirement for a fee of \$250.

Versailles Montessori School does not discriminate with regard to its student enrollment or employment procedures.

VMS accepts students and staff without regard to race, color, national or ethnic origin.

VMS may, however, in the exercise of its sole and inferred discretion, deny enrollment or suspend a child's enrollment if it is determined that the child or the child's parent(s) are not abiding by the rules and/or policies of VMS or if the child's enrollment or continued enrollment would be detrimental to the interest of VMS, its staff, or students.
